## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Method Schools Corporation  
Arcadia, California

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Method Schools Corporation (the School), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the School's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of the School as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

*Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the School's financial statements as a whole. The Method Schools, Method Schools, LA, and eliminations columns in the statements of financial position, activities and cash flows as well as the accompanying supplementary schedules as identified in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated December 10, 2021 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**METHOD SCHOOLS CORPORATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Method Schools Corporation (the School) was formed as a nonprofit public benefit corporation on July 18, 2013 for the purpose of operating public schools. The School operates two California public schools: Method Schools and Methods Schools, LA. The School is economically dependent on state and federal funding. Method Schools K - 8 was closed in 2018 and its assets transferred to Method Schools, LA.

Method Schools Corporation is authorized to operate as a charter school through the Dehesa School District in San Diego County. In July 2018, the board of directors of the Dehesa School District approved a charter petition for the Charter for a five-year term beginning July 1, 2019 and expiring on June 30, 2024. Method Schools, LA is authorized by the Acton Agua Dulce Unified School District in Los Angeles County. The charter petitions approved by the Acton Agua Dulce Unified School District are for a five-year term beginning July 1, 2020 and expiring on June 30, 2025.

The mission of Method Schools Corporation is to provide innovative tools and educational practices to maximize personalization and empower students to become problem solvers, effective communicators, critical thinkers, and creative innovators.

**Basis of Accounting**

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

**Basis of Presentation**

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

**Functional Allocation of Expenses**

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, other fees for service, advertising and promotion, and office expense, which are allocated on the basis of time and effort. Other expenses that are allocated are information technology, occupancy, and other expenses which are allocated on the basis of expense nature.

**METHOD SCHOOLS CORPORATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Cash and Cash Equivalents**

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

**Accounts Receivable**

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2021. Management believes that all receivables are fully collectible, therefore no provisions for uncollectible accounts were recorded.

**Compensated Absences**

The School does not allow employees to carryover unused vacation. Accordingly, there were no accumulated compensated absence benefits at June 30, 2021.

**Net Asset Classes**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Property, Plant, and Equipment**

Property, plant, and equipment are stated at cost, if purchased, or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The School capitalizes all expenditures for land, buildings and equipment in excess of \$5,000.

**Revenue Recognition**

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restrictions, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restrictions.

**METHOD SCHOOLS CORPORATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Contributions**

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

**Conditional Grants**

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2021, the School has conditional grants of \$1,329,587 of which \$668,011 is recognized as deferred revenue in the statement of financial position.

**Property Taxes**

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

**Income Taxes**

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The School files an exempt school return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

**METHOD SCHOOLS CORPORATION

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Subsequent Events**

The School has evaluated subsequent events through December 10, 2021, the date these financial statements were available to be issued.

**NOTE 2 LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and grants receivable for the total amount of \$27,359,735.

As part of its liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

**NOTE 3 CASH AND CASH EQUIVALENTS**

**Cash in County Treasury**

Method Schools Corporation (Charter No. 1617) is a voluntary participant in an external investment pool with the San Diego County Treasurer. The fair value of the School's investment in the pool is reported in the financial statements at amounts based upon the School's pro-rata share of the fair value provided by the County Treasurer for the entire portfolio in relation to the amortized cost of that portfolio. The balance available for withdrawal is recorded on the amortized cost basis and is based on the accounting records maintained by the County Treasurer.

Except for investments by trustees of debt proceeds, the authority to invest school funds deposited with the county treasury is delegated to the County Treasurer and Tax Collector. Additional information about the investment policy of the County Treasurer and Tax Collector may be obtained from its website.

**Cash in Banks**

The School maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

**METHOD SCHOOLS CORPORATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 4 PROPERTY, PLANT, AND EQUIPMENT**

Property, plant and equipment in the accompanying financial statements is presented net of accumulated depreciation. Depreciation expense was \$29,603 for the year ended June 30, 2021.

The components of property, plant, and equipment as of June 30, 2021 are as follows:

Leasehold Improvements	\$ 29,600
Equipment	190,572
Total	220,172
Less: Accumulated Depreciation	(80,128)
Property, Plant and Equipment, Net	\$ 140,044

**NOTE 5 OPERATING LEASES**

In April 2014, the School entered into a multi-tenant office lease to occupy space located in Murrieta, California. The facility is to be utilized by Method Schools for instructional services in order to meet the educational goals established by the charter school as well as School administrative offices. The agreement was then amended on July 13, 2017 to lengthen the lease term to December 31, 2022. In addition to monthly lease payments, the lease calls for common area maintenance (CAM) charges. The School paid a total of \$310,900 in lease payments and CAM fees during the fiscal year ended June 30, 2021.

Future minimum lease payments are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 240,483
2023	122,018
Total	\$ 362,501

**NOTE 6 DISTRICT OVERSIGHT FEES AND SPECIAL EDUCATION SERVICES**

The School makes payments to the authorizing agencies, Dehesa School District and Acton Agua Dulce Unified School District, to provide required services for special education in addition to fees for oversight. Fees associated with oversight consist of 3% of revenue from local control funding formula sources generated by each charter school. Total fees paid to the authorizing agencies for oversight amounted to \$193,368 for the fiscal year ended June 30, 2021.

The School has memorandum of understanding (MOU) agreements with the authorizing agencies for special education services. Fees paid to Dehesa School District for Method Schools special education oversight amounted \$59,912, which, per the MOU, is calculated based on 1% of revenue from local control funding formula sources generated by each charter school.

**METHOD SCHOOLS CORPORATION**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2021**

**NOTE 7 EMPLOYEE RETIREMENT**

The School offers an Internal Revenue Code Section 403(b) retirement plan to each of its qualifying employees. The School matches up to 3% for classified employees. During the year ended June 30, 2021, the School contributed \$84,614 to this plan.

**NOTE 8 CONTINGENCIES, RISKS AND UNCERTAINTIES**

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

In the prior the fiscal year, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. Subsequent to year-end, the COVID-19 pandemic continues to have significant effects on global markets, supply chains, businesses, and communities. Specific to the School, COVID-19 may impact various parts of its 2022 operations and financial results, including, but not limited to, loss of revenues, additional bad debts, costs for increased use of technology, or potential shortages of personnel. Management believes the School is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are still developing

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Method Schools Corporation  
Arcadia, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Method Schools Corporation (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 10, 2021.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE

Board of Directors  
Method Schools Corporation  
Arcadia, California

We have audited Method Schools Corporation's (the School) compliance with the types of compliance requirements described in the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2021. The School's state compliance requirements are identified in the table below.

### Management's Responsibility

Management is responsible for the compliance with the state laws and regulations as identified below.

### Auditor's Responsibility

Our responsibility is to express an opinion on the School's compliance based on our audit of the types of compliance requirements referred to below. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the specific areas listed below has occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on state compliance. Our audit does not provide a legal determination of the School's compliance.

### Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the School's compliance with the laws and regulations applicable to the following items:

<u>Description</u>	<u>Procedures Performed</u>
Local Education Agencies:	
Attendance and Distance Learning	Not applicable
Instructional Time	Not applicable
School Districts, County Office of Education, and Charter Schools:	
California Clean Energy Jobs Act	Not applicable
Proper Expenditure of Education Protection Account Funds	Yes

**Compliance Requirements Tested (Continued)**

<u>Description</u>	<u>Procedures Performed</u>
Unduplicated Local Control Funding Formula Pupil Counts	Yes
Charter Schools:	
Independent Study Course Based	Not applicable
Attendance	Yes
Mode of Instruction	Not applicable
Nonclassroom-Based Instructional/Independent Study	Yes
Determination of Funding for Nonclassroom-Based Instructions	Yes
Charter School Facility Grant Program	Not applicable

**Opinion on State Compliance**

In our opinion, the School complied with the laws and regulations of the state programs referred to above in all material respects for the year ended June 30, 2021.

**Purpose of this Report**

The purpose of this report on state compliance is solely to describe the results of testing based on the requirements of the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Accordingly, this report is not suitable for any other purpose.

**2020-01      Average Daily Attendance Reporting      10000**

**Related to School: Method Schools #1617 and Method Schools, LA #1697**

**Criteria:** Pursuant to the provisions of Education Code Section 19850, the Second Principal (P2) and Annual reports of attendance submitted to the California Department of Education should be supported by written contemporaneous records that document all pupil attendance included in the charter school's Average Daily Attendance (ADA) calculations.

**Condition:** During our testing of independent study compliance requirements, we identified that the school did not maintain adequate records to support student engagement in educational activity on each day for which a pupil's attendance was being reported. We tested 101 days of reported attendance for Method Schools (#1617) and identified 20 days that did not have daily engagement logs. We tested 123 days of reported attendance for Method Schools, LA (#1697) and identified 18 days that did not have daily engagement logs.

**Cause:** The student information system, SmartFox, did not record adequate support to substantiate a student's involvement in academic activity for days being reported as attended in the P2 ADA report.

**Status:** Remediated during the year ended June 30, 2021.
